New this year from USSSA:

Teams who play USSSA/GSL tournaments must register separately with the national office. Teams who register for league will be registered as a league team with the state. We will register your team and the league fee covers the league registration. Your league fee does not cover your tournament registration fee with the national office.

Check with USSSAWA if you have questions.

PLEASE NOTE:

Longview Recreation is now utilizing an online registration system. As a result the coach for each team must go online and register as the contact person for the team as well pay the team fees in full. The players are then required to set up an online profile and electronically sign the waiver.

Step 1: Coach uses the link below to register team and pay fees.

Step 2: Coach notifies players of completed registration.

Step 3: Players use link provided to register and sign waiver electronically.

Call 360.442.5400 or go online for links & registration.

Men's League Basketball

This is a self-officiated league in which players call their own fouls. This league has gotten bigger and bigger each year and is a great way to get into shape and play basketball in a fun, competitive atmosphere. This is a modified six game season.
