## LEGO First Robotics Club

FIRST LEGO League challenges kids to think like scientists and engineers while they work with a team to solve a real-world problem using LEGO MINDSTORMS technology, while FIRST LEGO League Jr. introduces kids to basic engineering and programming skills with LEGO Education WeDo and ignites their creativity with an exclusive LEGO Education Inspire Model while they explore a real-world theme with their team as well. Throughout their experience, all ages express the FIRST philosophies of Gracious Professionalism and Cooperation through the core values of Discovery, Innovation, Impact, Inclusion, Teamwork, & Fun! Instructor: Bob Koenig

**Ages 6 - 9 (Competition Season - September to April) & Ages 9 - 14 (Competition Season - August to December)**

\*During competition season, team members normally meet Mondays from 5:30 to 7:00 pm. Additional times may be set and homework will be suggested. Our goal is to get kids to be able to create and build robotic components that will perform tasks and learn about sensors and programming the robot. The off-season is when we teach, demonstrate and give the kids experience. During the season they will use those skills to build a competitive robot and complete their project. Please call the Recreation Office for additional information or to register. 360.442.5400

## Being at Home Alone - How to Stay Safe

Be prepared for school breaks and days off by ensuring your kids are safe at home alone. This class will teach them how to handle being home alone including basic first aid, personal safety, Internet safety, how to respond to strangers at the door or over the phone, and sibling care. Instructor: Shelly Aldrich - Recreation Staff

**Ages 8 - 14**

Sat 09/15 9:00 AM - 12:00 PM \$25.50RD \$30.50

**Location: Recreation Building, 2920 Douglas Street**

**ID#839306**

## Halloween Cooking Party

Please join Chef Cathie of The Gifted Kitchen for a dreadfully delicious class on scary-good party foods like Crispy Phyllo Wrapped Hot Dog Mummies, Spooky Spider Deviled Eggs, and a few other tasty, creepy eats! This class is perfect for all the little monsters ages 5-12. Don't miss the fun! Instructor: Cathie Groesbeck, The Gifted Kitchen

**Ages 5 - 12**

Thu 10/11 4:00 PM - 6:00 PM \$30.50RD \$35.50

**Location: Monticello Middle School, 1225 28th Avenue**

**\$6 Supply Fee Due to Instructor Day of Class**

**ID#845668**

## Santa's Workshop

Get your kids out of the house and excited for Christmas at our Santa's Workshop. Help Santa's elves by creating homemade gifts for friends and family. Participants will bring home their presents ready to give to parents, teachers, grandparents and friends. Instructor: Shelly Aldrich - Recreation Staff

**Ages 8 - 12**

Sat 12/15 9:00 AM - 12:00 PM \$35.50RD \$40.50

**Location: Monticello Middle School, 1225 28th Avenue**

**ID#839307**

## Babysitting

Geared for kids that are planning to babysit family and friends. This comprehensive babysitting class will cover first aid basics, along with healthy treats, ideas for games & art projects, safety concerns and even diaper duty. Instructor: Shelly Aldrich - Recreation Staff

**Ages 8 - 14**

Sat 10/20 9:00 AM - 12:00 PM \$25.50RD \$30.50

**Location: Recreation Building, 2920 Douglas Street**

**ID#839281**

## Kids Holiday Baking

The best thing about this class is that your kids get to learn great recipes and methods, which they can recreate at home. They make the mess in our kitchen and leave it behind, taking the results of the classes home with them in gift bags or gift boxes. Instructor: Shelly Aldrich - Recreation Staff

**Ages 8 - 12**

Sat 11/10 9:00 AM - 12:00 PM \$35.50RD \$40.50

**Location: Monticello Middle School, 1225 28th Avenue**

**ID#839298**

## Acrobatics

Acro is a fun class where your child will learn the beginning foundations for floor gymnastics and beginning dance. You will be able to watch your child's confidence grow as they increase their coordination, balance, rhythm, flexibility, and strength. This is a class that will help your child improve their large gross motor skills and help brain development in math and language. Instructor: Natasha Kreitzer

**Location:** McClelland Center, 951 Delaware Street

**Please wear comfortable clothing.**

**ID#839129/839283/839284**

## Bouldering & Top Rope Climbing

Kids are natural climbers whether they're in the backyard or at the playground or in your living room. Let our skilled coaches build your child's confidence while introducing them to a sport they can enjoy for a lifetime! LCC Rock Wall is the setting for this fun class. We'll help them get comfortable in a gym setting, calming any nerves through climbing games and lots of encouragement. Parents are welcome to stay with their children or drop off.

### Ages 6 - 12

Sat	10/06 - 10/27	11:00 AM - 11:45 AM	\$50.00RD \$55.00
-----	---------------	---------------------	-------------------

**Location:** Lower Columbia College, 1600 Maple Street

**ID#839270**

## Hip Hop

Learn hip-hop moves, the popular form of dancing. Hip hop is great exercise and encourages coordination and creativity. Participants will learn routines to perform for their family and friends at the last class.
