

Social Club

Social Club is a program for adults 18 & over who are developmentally delayed and would like to meet new people for lots of fun and social interaction. We offer a variety of special activities, educational opportunities, events, free snacks, a place to socialize, and those monthly dances! This is a great place to come hang out, meet new friends, and see the old ones! A registration form must be completed. Limited transportation is provided. Call 442-5400 if transportation is needed.

Summer 2008 Longview-Kelso Special Olympics Track event.

Special Olympics Bowling

Longview Parks & Recreation sponsors the local Special Olympics Program which serves developmentally disabled individuals in our community. There are 150 local athletes involved in sports programs year round. If you or someone you know would like to be involved as a participant or a volunteer coach, please contact the recreation office at 442-5400. All athletes must have a valid Washington State Special Olympics physical/medical registered with the recreation office before participating. We hope to see all of our great athletes again this fall as we go for the gold!
