

2022 Community Garden Information

Rules & Regulations

1. Garden spaces are for growing crops for personal use seasonally or year round. Selling crops for monetary gain is not allowed
2. Gardeners may only use the 20' x 40' (10 feet left & 10 feet right of numbered space marker) or 10' x 40' (5 feet left, 5 feet right of numbered space marker) space assigned to them.
3. Garden maintenance is the responsibility of each gardener
4. Weeds must be controlled/removed from all planted and non-planted areas of your plot(s). If for any reason you cannot care for your plot(s), you must make arrangements to have your plot(s) maintained.
5. It is each gardeners responsibility to prepare the soil in your plot(s) for planting, this includes rotor-tilling your plot(s).
6. **Pets are allowed in the garden, but must be on a leash**, picked up after, and kept out of all gardens other than your own.
7. Cannabis cannot be grown, including plants on the Washington State Weed Control or Cowlitz County list of noxious weeds.
8. In order to conserve water, gardeners must be present when watering their gardens and **irrigation is not to be left unattended**. No overhead (oscillating or fan) sprinklers permitted.
9. Gardeners must remove all stakes, cages, posts, poles, wood, string, hoses, tools, structures, garbage cans, chairs etc. when finished for the season. Corn stalks must be chopped up before leaving or removed.
10. The **use of sterilants and herbicides is prohibited**. Let's keep our gardens safe!
11. In order to discourage absentee gardeners, plot renters must begin actively working their sites or forfeit their space by June 1.
12. Gardeners failing to follow rules and maintain their space by keeping plot(s) weed free may lose their privileges to use garden space(s) for the remainder of the season and the following year(s).

Garden Etiquette

1. Please be considerate of neighboring gardens and do not allow plants to invade or encroach into other gardens. **Please do not** use other gardeners' tools without permission.
2. Use of household pesticide is allowed, but you are encouraged to coordinate with the neighboring gardeners and be cautious and respectful of organic gardeners
3. Children are wonderful gardeners, but need to be under adult supervision at all times.
4. Harvesting promptly and please do not pick from other gardens.
5. Vehicles must be parked to the side of each road way so that other vehicles can pass.
6. **Close and lock the gates each time you enter or exit**. Please do not leave the gate open or unlocked after passing through.
7. Place cover of water spigot back on after use

The City of Longview is not responsible for any loss or damage to crops, equipment or material. I hereby agree to follow and comply with the information/rules listed on this page.
