

# LAKE SACAJAWEA PARK

Park I - C (Washington Way to 15<sup>th</sup> Avenue)

<b>LOCATION</b>	<b>BETWEEN WASHINGTON WAY &amp; 15<sup>th</sup> AVE</b>
<b>ACREAGE</b>	<b>127 ACRES (Total Park)</b>
<b>PARK TYPES</b>	<b>CLASS III - NEIGHBORHOOD PASSIVE CLASS IV - COMMUNITY PARK CLASS V - REGIONAL PARK</b>
<b>SERVICE AREA</b>	<b>2 MILES TO ½ HOUR DRIVE</b>

## DESCRIPTION

The park encompasses a total of 127 acres. The area from Washington Way bridge to 15<sup>th</sup> Avenue is at the south end of the lake. This area of the lake has two facilities for rent, a building and picnic shelter. The building serves as the after school teen program site. This area of the lake includes Elk's Memorial Building and playground, lighted gravel trail, Lion's Shelter and playground, fishing docks, picnic sites, and two public restroom facilities.

## MANAGEMENT ISSUES AND RECOMMENDATIONS:

- Remove and replacement restrooms
- Reconstruct docks
- Upgrade picnic shelter
- Path drainage
- Upgrade informational signage
- Install leaf grate at outlet of lake
- Path drainage
- Lake bank erosion control
